Dear Hiring Manager,

I am writing to express my strong interest in the IT Intern position at the African Population and Health Research Center (APHRC). As a 4th-year student at Strathmore University with a pending bachelor's degree in business information technology, I am eager to apply my skills to contribute to APHRC's impactful research.

Your commitment to evidence-based research aligns with my goal to leverage technology for positive change. My proficiency in Windows 10, Microsoft Office, and understanding of network concepts make me well-suited for tasks such as configuration, preventive maintenance, and user support outlined in your job description.

I am confident that my technical skills, coupled with a dedication to customer service, make me an ideal candidate. I am excited about the opportunity to contribute to APHRC's dynamic team and learn from your innovative environment.

Thank you for considering my application. I look forward to the possibility of discussing my fit for the role in more detail.

Sincerely,

Michelle Guya.
